

SBDC PROGRAM

The Small Business Development Center of Ohio program was established in 1985 in partnership with the Ohio Department of Development and the U.S. Small Business Administration. The SBDC network has developed more than 60 community partnerships with local chambers, economic development agencies, colleges and universities to create a statewide, integrated system of small business services, advocacy, and awareness.

ENTREPRENEURSHIP & SBDC

Within the Business Development & Entrepreneurship Division, the Small Business Development Centers are considered the gateway for the small business owners and entrepreneurs to access support services.

OUR MISSION:

To accelerate Ohio's economy by helping people start, sustain and grow their businesses.

GOALS

- Provide solutions to business challenges
- Help grow businesses and increase profits
- Assist with the start-up of new business ventures
- Offer free, confidential one-on-one counseling

CONSULTING & COACHING

Established businesses receive free long-term consultation and coaching in the areas of business plan preparation, strategic planning, financial forecasting and analysis, market planning and more.

WORKSHOPS & SEMINARS

The SBDC offers workshops for the small business community. We cover areas of interest for the small business owner: Start-up, HR Management, Financial, Strategic Planning, Marketing and more. For more details visit www.cincinnatiiec.com/our-programs/SBDC
